## Foxy Lady 1 (1985)

Producer: Video Teresa Orlowski

### Description:

The inaugural episode of what was to become one of the most popular series from Terry Orlowski. The Foxy Lady series was the flagship series for VTO - the video production company started by Orlowski and then husband Hans Moser. VTO would go on to become one of the largest and most successful adult video companies in the world during the late 80s and early 90s. Orlowski would become a household name and is known as "The Porn Queen of Germany."

Orlowski opens and closes the movie with her own inimitable sex scenes which always include anal sex, a talent for which Orlowski is famous. In between are sex scenes from Anna Djukovich, Sandra Nova and Desiree Barclay. This is a "must see" movie for fans of classic smut and adult video aficionados.

### Description:

This classic film from the 1980s features the legendary, nay, the godlike Teresa Orłowski in her purest form. ## Foxy Lady 3 (1985)

Producer: Video Teresa Orlowski

### Description:

Teresa Orlowski introduces us to the stunning Jennifer Jost in the 3rd instalment of the Foxy Lady series. This volume takes a little departure from the previous two volumes of the Fox Lady series as it is presented as a feature film with a plot line and a surprise twist at the end.

Frank Mazars and wife Annette (Jennifer Jost) are in debt to a strip club owner so they decide to rent their apartment to Teresa Orlowski to shoot some porn pics. Teresa arrives with Gabriel Pontello, Piotr Stanislas and Diane Suresne for the shoot. The wife leaves them to it and the shoot soon turns into an orgy. Frank watches and eventually joins in. At this point the wife comes back to have a peep. Gabriel Pontello comes up behind her and she joins in too. After the shoot/orgy they all have dinner and the situation is explained to Teresa. The woman to whom they owe money (Tatjana Maradino) turns up and Teresa pays her. She is then co-opted into a resumption of the orgy and turns out to be pre-op transsexual.
