Defiance Of Good

Language: English

Genre: Feature, Straight, Classic

Duration: 01:12:36

Cast: Day Jason, Heather Ellis, Jean Jennings, Pam Sanders, Sandy Fox, Alan Marlow, Alex Mann, Jack Conner, Jamie Gillis, Jason Russell, Sonny Landham.

NonSex Performers: Dulce Mann, Holly Landis, Harding Harrison, Frank Baker, Fred J. Lincoln, Hurant, Kevin Andre, Marc Stevens, Roderick Usher, Turk Turpin

Description: "Jean Jennings, this years challenge to Marilyn Chambers, plays a teenager who learns elementary sex and then majors in discipline. 'Defiance!' is a 'Gidget Behind The Green Door' with 'Story of O' overtones."

Bruce Williamson / Plaboy

"'Defiance!' is an adult film with whips, chains, and bondage. But then, so is 'The Exorcist' or 'The Night Porter', Hitchcock's 'Psycho' and Bergman's 'Cries and Whispers', for that matter. If you are into kinkiness, then you will enjoy this film. Jean Jennings will be the next Linda Lovelace or Marilyn Chambers."

Kevin Sanders / WABC-TV

"Defiance is not unlike the 'Story of O', high caliber scripting, fine lensing and torrid tactile tantrums. A dervish of devils brew, not for the squeamish or sensitive. Orchestrated to a fine tuning. The big league technical treatment in this film indicates the new direction porn films are taking. Good acting and fine turn on footage."
